

101 Bus Fares Summer 2026

To introduce you to the travel opportunities on service 101, we've got lots of special fare offers available all summer long, and some beyond!

Adult fares

We're pleased to offer a discounted £2* maximum single fare as an introductory offer for any journey on service 101. We also offer a village hop fare of £1.50 between two adjacent villages. (Normal max fare will be £2.60)

Children's fares

The Kids Go Free offer is available all summer long on service 101 until September 6th. After this, our child fare is £1 for any single journey. See below for our exciting offer if you're bringing an adult with you!

Concessions

Concessionary passes are welcome on service 101 from 9am Monday to Friday and all day long on Saturdays. We're also offering a £1 fare before 9am for early starters this summer (until September 6th).

It's the BIG ONE - our super summer offer!

We love being part of the Kids Go Free offer, so we thought about how to make it even better. How about letting each child bring an adult along with them free as well? Then the whole family can enjoy summer attractions around our area, perhaps Chew Valley Lake, Farrington Farm Shop or visiting one of our brilliant local parks?

Beyond the summer...

Once the service is up and running, we'll be looking at our offers for the autumn. Check back for more updates on abus.co.uk or the **Abus - local buses in the West of England** page on Facebook.

Making a day of it?

We're pleased to issue and accept AvonRider Multi-Operator tickets for travel around the region on most bus services. The Adult ticket is valid all day for unlimited travel around the area and costs £7.

Service 101 is provided by Abus and Centurion Travel, under contract to the West of England Combined Authority. Their travel website at **travelwest.info** has loads of information on every local bus service in the region, plus other modes of travel including rail services.
